Protective gloves	Use latex or vinyl gloves if desired.
Other clothing and equipment	None. Use chemical apron if desired. May discolor clothing.
Work/Hygienic practices	Eye wash station and safety shower.
<b>Section 9 Physical and chemical characteristics</b>	

Boiling point	Not determined	Specific gravity	Not determined
Vapor pressure (mm Hg)	Not determined	pH	7.25-7.65
Vapor density (Air=1)	Not determined	Evaporation rate	Not determined
Solubility in water	Completely soluble in water		
Appearance and odor	Clear solution with mild menthol odor		
<b>Section 10 Stability and reactivity</b>			
Stability	Stable for 3 years		
Conditions to avoid	High temperatures and direct sun light		
Hazardous polymerization	Not expected		
<b>Section 11 Toxicological information</b>			
Effects of acute overexposure: No reported adverse effects due to overexposure			
Effects of repeated overexposure: No reported adverse effects due to repeated exposure			
Carcinogenicity: No			
<b>Section 12 Ecological information</b>			
No information available			
<b>Section 13 Disposal considerations</b>			
Waste disposal method	Note: dispose all wastes in accordance with federal, state and local regulations.		
<b>Section 14 Transportation requirements</b>			
Ground shipment	Handle with care - Fragile		
Air shipment	Handle with care - Fragile		
<b>Section 15 Regulatory information</b>			
Chemicals known to cause cancer: Ingredients are not listed			
None of the chemicals in this product are considered highly hazardous by OSHA			
<b>Section 16 Other information</b>			
This information is based on our present knowledge. However, this shall not constitute a guarantee for any specific product features and shall not establish legally valid contractual relationship.
